Registration and Support for the DH Ranch Classroom in the Dirt 2025

I am writing to express my wholehearted support for DH Ranch and the incredible programs it offers for my children and youth in our community. DH Ranch is in a quiet and beautiful landscape where mental health, cultural connection, and personal growth are prioritized through the **spirit of the horse** and **land-based practices**.

The ranch provides a unique and transformative experience, helping children develop resilience, confidence, and emotional well-being through meaningful connections with horses and the land. These experiences are further enriched by the incorporation of **cultural practices** and **Tsuut'ina language education**, ensuring that our children stay rooted in our heritage while developing the skills they need to thrive.

I would like to register my child (ren) in the DH Ranch 2025 Classroom in the Dirt Program: Circle (Spring/ Summer/ Fall)

This opportunity will allow our children to build life skills, strengthen their mental health, and connect with peers and mentors in a safe and healthy environment.

I am deeply grateful for DH Ranch's dedication to creating a space where children can grow emotionally, spiritually, physically, and culturally. Their programs reflect the values that we, as parents and community members, cherish and strive to instill in the next generation.

Thank you for supporting this invaluable resource in our community.

Sincerely,
